- Lamplighter Square and Skyline Inn** (1615 South Foothill Dr and 2475 E 1700 S): The owner/developer of the property on the corner of Foothill Drive and 1700 South (except for the Mister Carwash) has told the executive board that they intend to request a rezoning of the property in order to build a three-story apartment building including 135 units. The current zoning is for Community Businesses and includes only 18 apartments. Additionally, against the opposition of the executive board, the developers have purchased the single family home at 2493 E 1700 S with intention to construct part of the project here.

Please attend this meeting by computer, smartphone, or call in on the telephone, as it will be our first chance to see the plans for the project. The community council may take a vote for an official position on the request to rezone the property, discuss traffic effects, etc.
